This section of our county history book will include histories of businesses, churches, clubs, organizations, etc. A charge for this space will have to be accessed to insure that we will have enough pages in the book. Money from selling this space will allow us to buy more pages for family histories if needed. The more books purchased, the more pages the publisher will allow us. By having adequate book sales and more pages, we can be assured the publisher will use nice large type.

OLD TIME BUSINESSES should tell when their business came into existence, why they wanted to establish their company in our county, how long they have been in business, and what their contribution to the growth and development of the county has been. For example, an old time business may have extended credit to early settlers to help them get on their feet. If so, tell about those times. Certainly these things and the people who were able to stay in the county are what makes it the place it is to live and work today. Submit photos of early days and current photos.

NEW BUSINESSES or organizations should tell why they have chosen to go into business or come into being and how they feel growth and development in the county in the past has provided an opportunity for the business or organization to succeed. If these business people came from outside the county, they should tell us about their background. Submit photos of their business and products. The book committee wants your story, not an ad.

In deciding how much space to purchase for your business or organization history, please consider the following: (1) The printer is very flexible in working with photos and copy; he can enlarge or reduce not only photos but also type size. (2) If desired, a page can be used for photos entirely, omitting all copy except descriptive captions and headings. In this case, limit the number of photos to 10. (3) When combining photos and copy, remember that one full page contains 1500 words; subtract from this number 200 words for each photo to be used.

Below is a chart of some recommended page formats. You may desire a combination of photos and copy not listed. For example, if you desire to purchase a full page and want four photos, you are entitled to 700 words after subtracting 200 words for each photo (1,500 - 800 — 700).
